

Pre-Op Instructions:

Dogs:

- No food or water after midnight the night before surgery
- Puppies under the age of 3 months may have a tablespoon of wet food at 6:00 am the morning of surgery;
- When you arrive at clinic, you will be required to sign a pre-admission form and make your payment before dog/puppy will be admitted. We accept only cash or credit cards. NO CHECKS.
- All dogs must be on leash (no choke or spike collars).
- Dogs should be dropped-off between 8:00-8:30 a.m. Discharge time (same day) will be given at drop-off.

Cats:

- No food or water after midnight the night before surgery.
- Kittens under the age of 3 months may have a tablespoon of wet food at 6:00 a.m. the morning of surgery.
- All cats must be kept INSIDE the night before surgery is scheduled (and for 2 weeks AFTER surgery)
- All Cats must be brought into their own standard approved cat carriers (1 cat per carrier)
- All Cat carries must be marked with owner's name, pet's name and phone number.

Feral Cats:

- All Feral Cats MUST be trapped 1-2 days before surgery;
- All Feral Cats MUST be brought into the Clinic in a cat trap.
